Ref. No. 09600136561

Dear Mr. Kim,

I am pleased to inform you that your company has become a Quality Management System Certification Body recognized by the BSMI.

The Scope of Recognition includes:

- 12. Chemicals, chemical products and fibres;
- 14. Rubber and plastic products;
- 15. Non-metallic mineral products;
- 16. Concrete, cement, lime, plaster;
- 17. Basic and fabricated metals;
- 18. Machinery and equipment; and
- 19. Electrical and optical equipment.

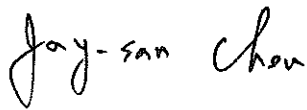

The Period of Recognition is from: November 22, 2007 to November 22, 2012.

We shall inform your company when the products of your certified organizations are registered under the BSMI's Registration of Product Certification Scheme. The attached "Checklist for Assessment/Surveillance of RPC Registered Organizations" must be completed when you conduct surveillance visits to these organizations. This Checklist must be returned to the BSMI or one of its branches - as specified in our letter to your company, within three months of the surveillance visits, according to Clause 8 of the Guidelines for Recognition of Quality Management Systems Certification Bodies.

Please inform us if there are any changes to the certification information, especially changes to the scope of registration for these organizations, in accordance with Clause 9 of the Guidelines. In addition, we also would like to bring to your attention Clauses 6, 7 and 10 of the Guidelines regarding recognition status. The recognition only applies to your ISO Certificates issued to factories located in Korea. Your cooperation is much appreciated.

Thank you for your efforts in becoming a recognized Quality Management System Certification Body. We look forward to close cooperation with you in the future.

Sincerely,

Guidelines for Recognition of Quality Management Systems Certification Bodies

**The Bureau of Standards, Metrology and Inspection, Ministry of Economic Affairs
As of September 18, 2006**

1. These Guidelines are established to recognize quality management systems certification bodies under the Registration of Product Certification (RPC) Scheme.
2. A quality management system certification body that applies for recognition (hereinafter referred to as applicant) shall meet one of the following requirements:
 - 2.1 Being accredited by the Taiwan Accreditation Foundation, the Republic of China; or,
 - 2.2 Being accredited by an accreditation body that is located in the same country as the applicant and is a member of the Multilateral Recognition Arrangements (MLA) of the International Accreditation Forum, Inc. (IAF) or the Pacific Accreditation Cooperation (PAC).
 - 2.3 If there is no accreditation body in an applicant's country, or if the accreditation body located in the applicant's country has not yet become a member of the IAF MLA or PAC MLA, the accreditation can be obtained from other IAF MLA or PAC MLA member accreditation bodies located in other countries. When the accreditation body located in an applicant's country becomes a member of the IAF MLA or PAC MLA, an applicant is required to obtain accreditation from this accreditation body within one year in order to retain recognition by the Bureau of Standards, Metrology and Inspection (the BSMI).
3. The scope that an applicant seeks recognition of shall be limited to those covered in the RPC Scheme and also accredited by the accreditation bodies.
4. An applicant shall apply for recognition to the BSMI by completing the application form and attaching a copy of an accreditation certificate.
 - 4.1 If an accreditation certificate and/or application form is presented in a language other than Chinese, the BSMI may request the applicant to provide versions translated into the Chinese language.
 - 4.2 A foreign applicant may authorize an agent who has a domicile or business place within the territory of Taiwan, the Republic of China to submit the application. In such cases, a letter of authorization from the applicant shall also be provided.
5. The BSMI will grant its recognition to an applicant after their application has been reviewed and approved. The term of validity of the recognition shall be five years. An applicant may apply for extension of the term of validity by providing the application form within a period of three months prior to the expiration of the recognition. The extended term of validity shall be no more than five years each time.
 - 5.1 If the application is found to not comply with the requirements after a review, the applicant may apply for second review within two months.
6. The BSMI may request an applicant or certification body recognized by the BSMI to provide related documents or may dispatch its staff to conduct inspection of an applicant
